## Farmhouse

Sleeps 8 | 4 | 3

Nothing short of superb this secluded, five star, award winning, 17th century Farmhouse is not only set in its secure gardens but also on the edge of a six acre meadow. Having undergone a comprehensive refurbishment in 2013 it remains one of the finest family accommodations available in the region. A very spacious, family friendly, Farmhouse which can accommodate two families or one large group with ease. It's lavishly appointed with 21st century comfort.

## The Stables

Sleeps 6 | 3 | 2

The Stables is a traditional stone barn which nestles perfectly into the countryside adjacent its own meadow. Inside, the woodburning stove and underfloor heating from the air source heat pump creates a cosy feeling whilst unique furnishings ensure there is a modern and stylish appeal. This beautifully appointed holiday home can comfortably accommodate our guests with a groundfloor en suite bedroom, ground-floor cloakroom and a secure garden and terrace too.

## Orchard Barn

Sleeps 6 | 3 | 3

On the edge of its own 7 acre meadow. this award winning converted barn is large, lavishly appointed with forest views. The full height vaulted central sitting area has an expanse of glass to both north and south which allows the natural surroundings to be as much a part of the luxury experience as the warmth from the underfloor heating and the glass fronted log burner. With ground-floor twin room and adjacent bathroom it's perfect for those needing all on one level.

## Meadow Byre

Sleeps 4 | 2 | 2

With its own distinctive character derived from the original rustic vaulted ceiling and exposed oak beams, offset by a more modern woodburner, all provides for a well equipped luxury holiday experience. The comfortable warm ambiance is created by underfloor heating with limestone flooring over courtesy of nature's own ground sourced warmth. This timeless conversion offers easy access to the forest.

## Brambles

Sleeps 2 | 1 | 1

Such an idyllic secluded setting in one of England's last ancient forests Brambles makes an ideal 'get away from it all' destination. A one bedroom upper floor conversion of a detached stone barn which can accommodate up to three (2 + infant). Accessed by an external stone staircase onto a large wooden balcony which leads to a luxurious sitting room with warming log burner.
